VIGNAN'S ECCENTRIC BENEFITS

CHALKING OUT A CAREER OF CHOICE

Students at the UG level have the unique opportunity to pursue minor courses in management, humanities, sciences, and civil service training.

CAMBRIDGE CERTIFICATION PROGRAMME

Globally acclaimed English certification, the Cambridge Preliminary English Test (PET), a B1-level program, is included as part of the curriculum for I. B. Tech and BEC Certification in the III year to master LSRW skills with honing overall communication for high-end corporate jobs.

VIRTUAL LEARNING ENVIRONMENT

Vignan provides convenient options with virtually endless options to bring exposure to real world skills and promote lifelong learning by partnering with Coursera, EdX, SWAYAM, and NPTEL.

LABS & CENTER OF EXCELLENCE

Vignan has signed MoUs with MNCs for collaboration and R & D, to facilitate student and faculty exchange, and to provide hands-on industrial training to foster understanding of the latest technologies.

- **Entrepreneurship Cell** - A networking hub for aspiring entrepreneurs with 102 discussion rooms organized for entrepreneurship awareness and development initiatives
- **Financial Aid** for the start-ups, 15 startups have been supported (on those 7 students graduated and 8 incubated)

FACULTY

A unique aspect is that more than 40% of faculty members are from top-notch institutions such as IITs and NITs; the university provides training programs to all faculties. The national and international level subject matter experts are part of Our Vignan's University Research Board.

VIGNAN'S ECCENTRIC BENEFITS

International Students Reflections

Students from **25+** Countries

Howdy! I have joined Vignan through COMPEX scholarship. The first 2 weeks were quite hard for me. I felt really lonesome because I was away from my home, family, and friends. But as the college started, the whole story has turned around. From the very beginning bridge course and extra curricular activities helped me to explore a lot and to create my own space at Vignan's University.

- Nichal Kafle
II Year,
B.Tech, Civil Engg.,
from Nepal

The campus is incredibly vibrant, providing a platform for me to connect with people from diverse corners of the world. The Student Activity Council, in particular, captivated me, encouraging active participation.

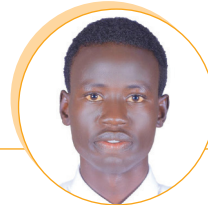

- Md. Ehsanul Azhar
II Year, B.Tech
Biomedical Engg.,
from Bangladesh

The faculty members are very friendly and supportive to us. When we seek extra help on academic matters, they are so kind to give us their time.

- Md. Elnazer Abazar
Elmamooun Ball Elsheel
I Year, M.Tech - CSE,
from Sudan

The campus has such a vibrant and welcoming atmosphere. Everybody here is willing to go an extra mile to help us and make us feel comfortable. Thank you Vignan..

- Anyar Arop Anyar Chol
I Year,
B.Tech - Chemical,
from South Sudan

I'm Allan, I always wanted to study in a multi-cultural environment and on the other side I was concerned about the weather and people, and I wondered if I'd be able to study in India. But Vignan has always been at my side, and to be honest, I've made the right decision for my future..

- Allan Chakachaka
I Year, B.Tech - Chemical Engg.,
From Zimbabwe

It's a unique opportunity to experience Vignan without the usual constraints of everyday life emphasized Shaza Almohammad. "It's a blank canvas where you can authentically become the person you aspire to be. However, one must be certain that this is genuinely what they desire.

- Shaza Almohammad
I Year, B.Tech - IT,
from Syria

I believe that being from another country sparks genuine interest from others, Mercy Gathoni Maina expressed. Personally, as an international student, my time at Vignan has encouraged me to be more open-minded, revealing numerous positive aspects to appreciate.

- Mercy Gathoni Maina
1 Year, B. Pharmacy,
from Kenya

It's so thrilling to be studying at Vignan. Here, I have an opportunity to not only understand and learn about the wonderful traditions of this part of South India, but I also get to rub shoulders with students from so many other nationalities here. It's truly an empowering experience to cross one's national borders and get immersed in an altogether different culture.

- Kwame Godsway Kisseih
I Year,
Ph.D - Management,
from Ghana

As a B.Pharmacy student, I'm happy about the interactions we have during the classroom lectures, as well as the hands-on experience we get in the laboratories, and also the self-study assignments we do on a day to day basis. Learning is a very holistic experience here.

- Ismail Shehu El Yakub
I Year, B.Pharmacy,
from Nigeria

Being here has broadened my perspective, prompting me to question: What do you truly know about a country until you experience it firsthand? Tojo Lalaina mused. My time here has given me a more positive outlook and a profound understanding of Vignan and its community.

- Rafaralahisoa Tojo Lalaina
I Year, B.Tech - EEE,
from Madagascar

Vignan's University is a really diversified campus, and it has let me meet a lot of new people from all over the world. The optional clubs helped me for my holistic development which in turn helped me to become a true professional and an emotionally balanced student. Professors and staff on campus are so friendly and willing to assist us you at any time.

- Isaiiah Flaviano D Souza
I Year, B.Tech
Biomedical,
NRI from
Dubai, UAE

I like the curriculum and the teaching-learning practices here. My study here has enhanced my analytical capacity, and trained me to become more application oriented. I have collaborated with students from diverse backgrounds and learned how to work in teams. Coming to the extracurricular aspects, I am able to explore my varied interests like acting, creative writing, and photography by joining different clubs

- Amevo Ben
I Year, MBA,
from Togo
